

A SMALL, RUNNABLE
COOKBOOK

A little motion. A clear idea.

Own the background. Shape the
entrance. Give each beat its moment.

studio

01 / TEXT THAT ARRIVES

Give the words room.

One clear thought. One word at a time.

`split=word · stagger=70 · replay=slide`

`Leave and return to see the entrance again.`

Let the idea lead.

Named cues + after=detail · Link directly to
#sequence/detail

Let the idea lead. First, the headline.

Named cues + after=detail · Link directly to
`#sequence/detail`

Let the idea lead. First, the headline.

Then the supporting detail.

Finally, the implication. This follows the detail's entrance.

Named cues + after=detail · Link directly to
#sequence/detail

Put the pattern on a shape.

The same .sel file + brighter uniforms .

Shape="sphere"

Also try plane, box or torus

Warm light. The same clear story.

A slide-level preset overrides the custom deck background.

```
shader:silk · speed 0.1 · strength 0.25 ·  
scale 1.5
```
